Mentors are a driving force of DelQuest. They make lasting impact in the lives of these students. This is a chance for students to experience being a business professional, and ask questions. Mentors also join in the Mentor Dinner during DelQuest, where mentees have a chance to practice their public speaking and present their mentors. Spaces are limited, based on date of payment, but we always need great leaders. Please consider being a mentor this year!

Help us enrich the lives of students this year
