This is your opportunity to touch the life of an outstanding student in Del City. DelQuest is a premiere youth leadership program for high school juniors in the Del City area. You can be an important part in this exciting three-day program.

Your Commitment:
One Phone Call, Job
Shadowing, One

BECOME A MENTOR!

Every year the mentor program is a huge success. To be a DelQuest Mentor this year, you will need to commit to two things:

1. Once assigned to a student, you will need to call your student by **October 23** to congratulate him/her on being chosen and set up the job shadowing portion of the program that is to be scheduled by you during **October 24– November 15**. The shadowing experience is half a day. You may want to begin at 8:00 a.m. and end in time so your student can take a lunch and return to his/her school for afternoon classes. If you are not presently working, please make sure to meet with your student at a location to share how you are involved in the community. This is a shadowing program and we want to ensure that you share your community involvement this with your student.
2. Get to know the student more at the Networking Dinner with Mentors that begins at 6:00 pm Thursday, **November 16, 2017**, at the Rose State College Professional Training Center located at 1720 Hudiburg Drive, Midwest City. This will give you more time to make a better connection with a future leader of Del City.

*NOTE- part of your application fee will go towards obtaining an OSBI background check

CONNECT WITH YOUR STUDENT

The Payoff:

- You will be an important part of an outstanding youth program.
- You will meet a terrific young person and impact a student's life.
- You will make a difference in the future of Del City.
